

Christ Church Newsletter

| Issue 5
Summer

Welcome to Issue 5 and welcome to the final term of the year - Summer. The sun is shining (well occasionally) and it feels good to be alive.

Your children are doing amazingly well and all of their learning is really coming together. I am super proud of our Christ Church community.

I want to say a big well done to Year 5, Miss Peplow and Mrs Kainth, who shared their excellent Easter Assembly, with the whole school, parents and visitors. It was a beautiful production.

Also, well done to the whole school for a wonderfully vibrant Spring Concert.

We are now in the term where Year 1, Year 4 and Year 6 will undertake a number of statutory assessments. Please join me as we pray for their success.

Don't forget to check the website for updates on events. To view the weekly catch-up newsletter, online: go to the Parent/Carers section.

Finally, we are here to help in anyway we can. Our door is always open and you are welcome to come and see us, at anytime

Thank you – Ms Adams

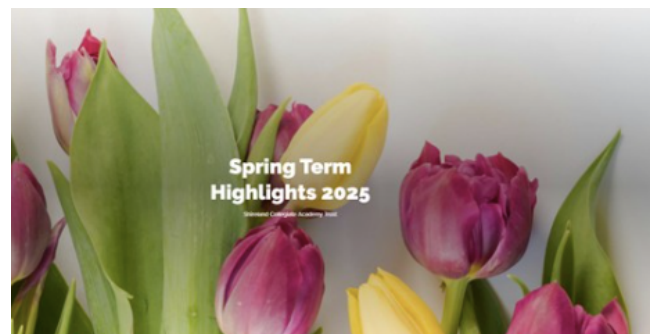

Let's celebrate a super Spring Term!

The Spring term at Christ Church was amazing!

Here are some highlights!
