Headteacher's Welcome

Firstly, I want to say a big welcome back to all the children, parents and families, within our Christ Church community. It is year two and I am excited about being back and the journey of learning we are undertaking together.

I am feeling extremely blessed to be leading this school community, as we enter into another school year. Christ Church is no ordinary school because it has amazing staff, children and families. We value each and everyone in our community, and we want to hear from you. Christ Church has an open-door policy, so please contact the office team, if you would like to speak to me.

I look forward to meeting new parents and carers over the next coming weeks and getting to know you.

Please continue to pray for the success of the school, as we grow, learn and thrive together.
