Acknowledgment and receipt of payment

I am grateful to acknowledge receipt of the grant of £152.50 (one hundred and fifty two pounds and fifty pence) which you gave to us in cash on 9th April 2025.

This generous gift, along with the donations of items that you brought with you, will enable us to continue serving some of the most neglected people in society. We are thrilled to receive all the donations and very grateful to you.

The children and staff who visited were delightful as always and wonderful ambassadors for the school! We love to see you and hope to see you again soon.

With warmest regards

Abi Martin
